Hi -

Your educator has invited you to join **AWS Educate** and access a "Classroom" for your course work. A "Classroom" is a hands-on learning environment for you to access **AWS** services and practice **AWS**. There are no costs or fees to access a Classroom.

Classrooms are managed by a third-party content and service provider, Vocareum ("Third-Party Content Provider"), and use of the Classroom feature is governed by the Third-Party Content Provider's terms and conditions (including its Privacy Policy) in addition to the **AWS Educate** Terms and Conditions.

If you accept the Classroom invitation, the Third-Party Content Provider may allow your educator to view your Classroom account and activity, including the **AWS** console in your Classroom account, the number of EC2 instances running and any Content running in the services, and your access activity.

Click [here](#) to complete the **AWS Educate** application process, accept your Classroom invitation and receive access to program benefits, including cloud career learning pathways, access to **AWS** resources and promotional credit through the **AWS Educate Starter Account**, and access to the **AWS Educate Job Board**, where applicable.

Please apply using the link above to accept this invitation. If you do not wish to proceed, ignore this email.

Thank you,

AWS Educate

Dear Gonzalo,

Congratulations!

Your **AWS** Educate application has been approved. As a member of the **AWS** Educate program, you will gain access to the benefits listed below:

AWS Educate Student Portal

The **AWS** Educate Student Portal is the hub for **AWS** Educate students around the world to find **AWS** content to help with classwork, connect to self-paced labs and training resources.

Click here to set your password and log in to the **AWS** Educate Student Portal. After logging in, click “**AWS Account**” at the top of the page to access your **AWS** Educate Starter Account. Use this feature to gain access to the **AWS** Console and resources, and start building in the cloud.

Bookmark the **AWS** Educate Student Portal for easy access, or [click here](#) to sign in directly.

You can access a video walk-through of the **AWS** Educate Student portal [here](#).

Free AWS Essentials Training

To access our foundational **AWS** Cloud Practitioner Essentials online learning class for free and find other self-paced labs, you must have either an **AWS** account or an Amazon ID.

- If you have an **AWS** account, sign in and [click here](#) to receive these benefits.
- If you do not have an **AWS** account, [click here](#) and follow the instructions to create an Amazon ID to access these benefits.

Once you access the Training and Certification portal, click “Learning Library” and search for “**AWS** Cloud Practitioner Essentials” to easily locate and enroll in **AWS** Cloud Practitioner Essentials on-line training. You can access **AWS** training any time after setting up your account by clicking [here](#).

Thank you again for participating in **AWS** Educate and we hope you enjoy the program!

Good luck with your continued studies!
